

RENTALS

DIESEL GENERATORS

When it comes to creating heavy-duty power for demanding applications, we have diesel engines for the future — all the turbocharged muscle you need.

GASEOUS GENERATORS

Say hello to a new alternative. KOHLER® mobile generators with propane engines offer a 15% - 20% reduction in hourly fuel costs* for lower overall operating costs.

TRANSFER SWITCHES

100 amp to 1,200 amp sizes available.

AUXILIARY FUEL TANKS

300 gallon to 1,000 gallon available.

PORTABLE LIGHT TOWERS

Diesel powered LED lighting.

Power whenever & wherever you need it.

Fidelity Power Systems® offers a comprehensive line of rental generators, transfer switches, fuel tanks, and light towers with customizable solutions. We're talking quality engineered power whenever and wherever you need it.

Flexible fuel options, including gaseous and diesel models, both EPA-certified for prime applications. Contact Fidelity Power Systems to learn more about all our rental options for your mobile power needs.

FIDELITY POWER SYSTEMS

One of the nation's largest distributors and service providers of KOHLER® generators.

Over the past 40 years, Fidelity Power Systems® has become one of the nation's largest distributors of KOHLER® Generators and Power Systems in the mid-Atlantic region. We offer a full line of commercial, industrial and residential emergency power systems including stand-by generators, automatic transfer switches, paralleling switchgear and replacement parts.

Fidelity Power Systems award-winning service teams include factory-trained and authorized service technicians who specialize in emergency power systems, supporting commercial, industrial, health care, critical facilities, and more.
